### FOR RELEASE AT 2:00 PM ON JANUARY 28, 2021

In collaboration with the Virginia Department of Health (VDH), Rappahannock Rapidan District, and the Culpeper Hospital Association, Madison County will be hosting a Covid -19 vaccination clinic on Wednesday February 3, 2021. The location for the clinic will be at the Madison County Fire Company building at 1223 N Main Street in the Town of Madison.

Madison County is expected to receive an allocation of 350 doses of vaccine. **Vaccinations will be given by appointment only.**

The list of individuals who will be contacted for a vaccination appointment is based on a survey list provided by the Virginia Department of Health. People that are in category 1B will be contacted by email or by phone in the order they filled out the VDH survey. They will be instructed to set up an appointment time. Only individuals on the list provided by VDH are eligible for this allocation of doses.

Under phase 1B, 50% of Virginia's population is now eligible to be vaccinated. If you have not filled out a VDH survey, please see [www.rrhd.org](http://www.rrhd.org) to register. If you do not have email access, you can call 877-275-8343, or our local Madison hotline 540-948-7532 for assistance.

This will be a very significant effort from all of our county departments, and the community, as we move forward. As the supply chain for vaccines improves, we will continue to stand up clinics as soon as possible.

We understand the frustration, but please know our health district, along with Culpeper Hospital, are doing all they can to get the vaccine to Madison County residents.

For more information on the Covid-19 Virus please see. [www.cdc.gov](http://www.cdc.gov) or [www.vdh.virginia.gov](http://www.vdh.virginia.gov)
